RULE MAN TO OPEN CLEANERS HERE MONDAY

A new dry cleaning firm will open for business here Monday in the building formerly occupied by the International Harvester Company located on East Lake Drive. The plant, to be known as O'Pry's Drive In Cleaners, plans to hold its formal opening Saturday, August 3.

The firm will be owned and operated by Odus M. O'Pry who has been in the dry cleaning business for 35 years and has had a plant in Rule for the past 19 years. He will offer both dry cleaning and laundry service and features Retex processing on his dry cleaning.

Registration for \$5.00 worth of free dry cleaning will start Monday and the drawing will be held during the formal opening between 2 and 4 p.m. on August 3. Free coffee and cookies will be served during the opening.

Mr. O'Pry and his wife have two married children, a son and a daughter. They plan to move to Hamlin as soon as they can make arrangements for their home in Rule. Mr. O'Pry is a brother of Mrs. L. O. Hughes of Hamlin.

He has been a member of the Rule Rotary Club, a past president of the Rule Chamber of Commerce and he and his wife are members of the Rule First Baptist Church.

Superintendent To Speak at First Methodist Sunday

Dr. C. A. Holcomb, District Superintendent of the Stamford District of Methodist Churches, will speak at the First Methodist Church Sunday at the 10:50 a.m. service. The pastor, Rev. Royce Womack, and family are vacationing in Florida and will return for services August 11.

August 4, the Rev. Jerry Buffington, associate pastor at St. Paul Methodist Church in Abilene will bring the morning message.

Wesley Nail, as Lay Leader, will preside at all the services and will be in charge of the evening services at 7:30 p.m. On August 4 a film, "Conversion Plus," will be shown.

Billy Goodman Now at Okinawa

NAHA, OKINAWA — Billy C. Goodman, electronics technician seaman, USN, son of Mrs. Willa A. Goodman of 237 Southwest Ave. D, recently reported for duty at the Naval Air Facility, Naha, Okinawa, a key base in the Far East.

The air facility provides logistic support for ships, aircraft and personnel of the Seventh Fleet.

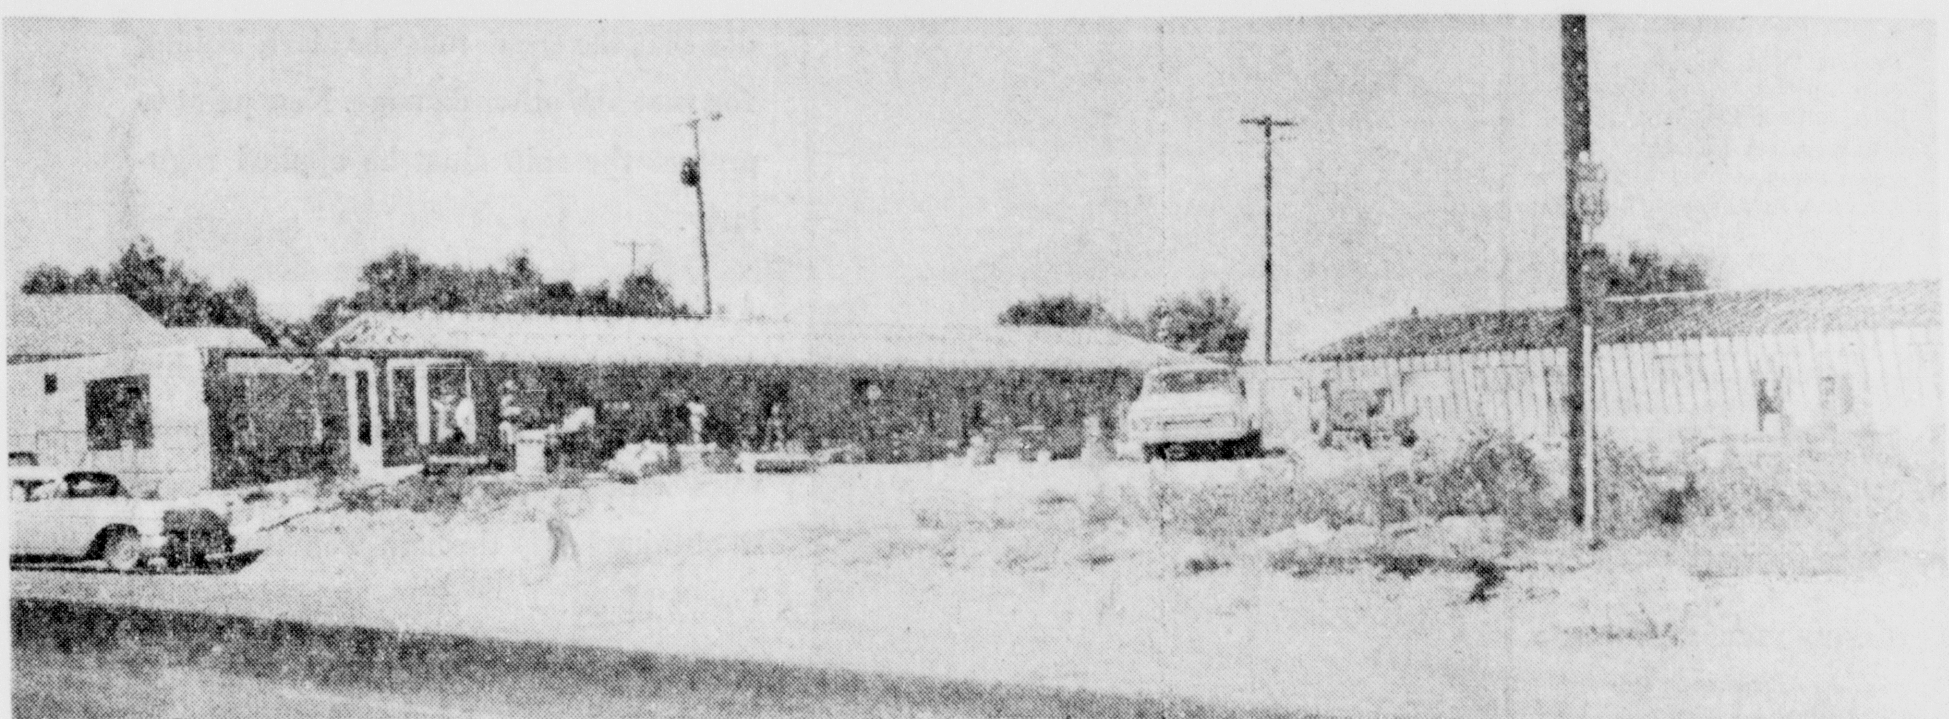

Okinawa itself is 65 miles in length and varies from three to 12 miles wide. It is a semitropical Pacific island about 850 miles southwest of Tokyo, Japan, and was Navy, Marine, Army, and Air Force units established there.

R J. Fleckenstein. Completes Training

SAN DIEGO, CALIF. — Ronald J. Fleckenstein, son of Mr. and Mrs. Joseph Fleckenstein of Route 2, recently completed nine weeks basic training at the Naval Training Center, San Diego, Calif., graduating at the weekly Recruit Brigade Review in which some 3,000 men participated.

The intensive training includes naval orientation and history, customs and etiquette, military law, sentry duty and military drill, ordnance and gunnery, basic shipboard routine and seamanship, damage control, physical fitness, swimming, first aid and survival.

During their training period recruits receive tests and interviews which determine their future assignments in the Navy. Upon completing the program they are assigned to service schools for technical instruction or to ships or shore stations for on-the-job training in specialized Navy rating.

MOTEL CONSTRUCTION UNDERWAY — Construction of a new Hamlin motel, to be named Pied Piper Inn, is now underway. The motel is located on South Central near the McCauley Y. T. W. Flenniken, owner, said this week that the 14 unit structure with living quarters would be completed in four to six weeks. The concrete

block building will be soundproofed with sand in the walls and salmon-pink brick veneer will be used for trim. W. S. Riley is the contractor. The motel will be furnished with furniture of early American design and equipped with electric heating and refrigerated air units.

NATION-WIDE OBSERVANCE OF FARM SAFETY WEEK SET

State and national observance July 21-27 of Farm Safety Week launches a 12 months campaign to lower the rural accident rate in Texas according to Texas Farm & Ranch Safety Council president Bill Hoover of Waco.

Hoover said the program would concentrate on the prevention of fires and falls with the theme: "Inspection plus Correction equals Protection." The special week has been officially proclaimed in documents signed by President Kennedy and Texas Governor John Connally. Governor Connally urged Texans to become more safety conscious. His proclamation noted that each year accidents cause more than 150 fatalities among rural residents.

Hoover said his organization will work with the Texas Agricultural Extension Ser-

vice, the Texas Farm Bureau and the Texas Safety Association to bring to the attention of farm and ranch families the need for observing safety practices the year round. The main educational program will center on prevention of fires and falls.

Property losses from fires have increased steadily since 1940, and in 1961 cost the nation's farmers \$163 million. Falls cause between 15 and 20 per cent of the farm accident death toll.

Historically, farming has ranked as the third most dangerous industry in accident death rates with mining and construction work leading the grim list.

In the past ten years the number of accident fatalities has declined. But, farming has shown a smaller percentage decrease than the other two categories. There were 37 per cent fewer in manufacturing accidents and 42 per cent decrease in the mining group. Farming accident deaths dropped only 18 per cent during the same period.

Hoover said the Farm Safety Week theme provided the basic formula for individual safety campaigns on every Texas farm and ranch. Every family should locate hazards which can cause accidents, then take the necessary action to eliminate or correct the unsafe condition. This will prevent accidents.

"That's why we say: Inspection plus Correction equals Protection," Hoover added.

Baptist Brotherhood Plans District Rally

Between 700 and 1,000 Baptist men from a dozen counties are expected at Hardin-Simmons University July 29 for the annual rally of the District 17 Baptist Brotherhood.

Dr. James H. Landes, president of Hardin-Simmons, will deliver two addresses. Lowell Queen, Abilene, district president, has announced.

Queen said 700 men attended the rally at H-SU last summer, and he expects that number to be exceeded this year.

The program will begin at 3:30 p.m. in the H-SU Chapel Auditorium. It will recess about 5:30 for a steak dinner in the University Cafeteria, and will resume at 7 p.m., Queen said.

In addition, the program will include a talk by L. H. Tapscott of Dallas, secretary of the Texas Baptist Brotherhood, a panel discussion on "Christian Witnessing" and a demonstration of Royal Ambassador (boys) campcraft presented by the Rev. Lewis Markwood of Lueders and a team of RA members.

Their four daughters and their families present were Mr. and Mrs. Joe Claybrook of Boyd, Oklahoma; Mr. and Mrs. J. A. Raspberry, formerly of California, now moving to South Carolina; Mrs. George McDanel, Opal Goodgame and Marsha, all of Hamlin, Mr. and Mrs. Roland Goodgame of Knox City and Erma Burdee and sons of Guimon, Oklahoma.

Mrs. Buddy Watson has returned from a vacation in El Paso. She also attended a reunion of her family, the Hughes, in Ruidoso, New Mexico.

Neinda Baptist To Hold Revival Starting Sunday

Revival services will be held at the Neinda Baptist Church, six miles south of Hamlin, July 28 through August 4. Rev. M. V. Pruett, pastor of the Wildwood Baptist Church, Mesquite, will be the evangelist.

Rev. Pruett is a graduate of Hardin-Simmons University, Abilene, and attended Southwestern Theological Seminary, Fort Worth. He is a former pastor of Northside Baptist Church, Kermit, serving there for eight years.

Stanley Jackson of Neinda will direct the music. Services will be held each evening at 7:30 p.m. for prayer service and 8 p.m. for worship service.

The pastor, Frank Codington, cordially invites everyone to attend the services.

Mrs. Bunvan Payne Out of Hospital Following Wreck

Word has been received here that Mrs. Bunvan Payne was released July 5 from the hospital at Jacksonville, Fla., after treatment for serious injuries in a two car accident there June 3.

Mrs. Payne and her son, Paul, 10, were both hospitalized following the accident. Other occupants of the car were another son, Johnny, who was not injured, and Mr. Payne who received bruises. Their daughter, Linda, was not with the family.

Paul was released after about 10 days.

The Paynes are living in Florida where he is with the U. S. Navy being assigned to the U. S. S. Roosevelt.

Mrs. Payne is the former Verna Sipe, daughter of Grover Sipe. Her husband is the son of Mr. and Mrs. B. C. Payne.

Guests in the home of Mrs. Opal Goodgame early this month were Mr. and Mrs. Asa Goodgame, Mike and Steve of Murfreesboro, Tennessee.

Queen said 700 men attended the rally at H-SU last summer, and he expects that number to be exceeded this year.

The program will begin at 3:30 p.m. in the H-SU Chapel Auditorium. It will recess about 5:30 for a steak dinner in the University Cafeteria, and will resume at 7 p.m., Queen said.

CAYCE MOORE TO SPEAK AT MIDWEST ELECTRIC MEETING

Members of Midwest Cooperative offices in Roby and Snyder are urged to mark their calendars for August 1st. That's the date for the Co-op's annual membership meeting. It will be held at the Fisher County Rodeo grounds in Roby, according to Ted McArthur, President of the Board of Directors.

There'll be prizes and entertainment for the entire family. In addition, a free "Underwoods" barbecue supper will be served all who attend the meeting. Registration will open at 5 p.m. and the meal will be served from 6 to 7.

Father of Hamlin Man Dies Saturday

E. N. Newberry, 85, retired Chidress farmer, died Saturday after suffering a stroke that morning. His son, B. V. Newberry, is principal of Hamlin High School.

He had been a resident of Zoe's Nursing Home for several years. Mrs. Newberry, a former teacher, died in 1956. The couple had lived in Chidress since the early 1900's.

Funeral services were held Monday at the First Methodist Church.

Survivors include four sons, B. V., Hamlin; Claude of Houston, G. W. of Dallas and Delbert of San Diego, California.

Maberry Reunion Planned Sunday

The annual Maberry Reunion will be held Sunday, July 28, 1963, at the American Legion Hall in Sweetwater. The all day affair will feature a covered dish luncheon and the showing of movies and slides of past reunions.

Friends and relatives are encouraged to join the descendants of the late Mr. and Mrs. Daniel Webster Maberry and the late Mr. and Mrs. John Maberry at the annual gathering.

Cayce Moore, the humorous, philosophizing Texas barber, will be the feature entertainment.

"Sharp... a natural showman... unseats his audience... Cayce's stories are fast moving and might be called epigrams... serious student of humor... recognized and respected as a practitioner of the world's toughest profession—a humorist... nor have I heard of Cayce getting much less than small notices." These are excerpts from the story "What a Line This Barber Has" by George Sessions Perry in the Saturday Evening Post.

Directors must be elected for places One and Two. Nominees for place one are J. A. Murff of Roby (re-election) and W. S. Jackson of McCauley. Nominees for place two are Glen Tate of Hermleigh (re-election) and Kenneth Dacus also of Hermleigh.

Board President McArthur reminds everyone who is served by Midwest Electric Cooperative that he or she is part-owner of the rural electric system. As an owner, each member-consumer will have an opportunity to take part in the annual meeting, vote, ask questions, and have his say about the operation of the local system.

Nominees for place one are J. A. Murff of Roby (re-election) and W. S. Jackson of McCauley. Nominees for place two are Glen Tate of Hermleigh (re-election) and Kenneth Dacus also of Hermleigh.

At the last meeting of the Hamlin Independent School Board the tax rate for the current year was set at \$1.65. The Board took this action following the appeal of the qualified voters in the district for Senate Bill 116.

The Senate Bill grants the district the right to set the local maintenance tax not to exceed \$1.50 per \$100 valuation. The local rate was set at \$1.65 by the board with \$1.35 for local maintenance and \$2.97 for bond purposes. This is a raise of \$1.50 above last year's rate.

has been spent
recently for industrial
construction in our
service area.

Even today, \$28,000,000 is a lot of money. But a survey shows that this vast amount has been spent recently for construction of new industrial plants in our service area, and for expansion of existing ones.

The figure is evidence of two things. One is that our service area is becoming more and more industrialized. The other is that when we say "The Center of the Southwest" is one of the Nation's fastest growing regions, we have the facts to back it up.

The industrial figure is one fact. The commercial and civic improvement figures are others. Day by day we become more than ever convinced that this region faces growth unlimited.

... more proof that

the Center of the Southwest

is one of the Nation's

fastest growing regions.

EVERYONE IN THE CHURCH
THE CHURCH IN EVERYONE

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

A weekly public service feature from the Texas State Department of Health

Accent on Health

J.E. PEAVY, M.D.
Commissioner of Health

When the first school bells ring this September there will be 264,783 six-year-old children entering school for the first time in Texas, according to estimated enrollment figures compiled by the Texas Education Agency.

In addition to the million-and-one chores that must be performed in getting the young-

ster ready for school—new shoes, clothes, health examination—most school districts require proof of age for beginning students. A certified copy of a birth certificate is usually requested.

Anticipating this, the Records and Statistics Section of the Texas State Department of Health is reading itself for the onslaught of requests for such copies that comes pouring in during the middle and late summer.

The problem is, too many parents wait until the last moment before requesting their copy.

Because of this, a temporary increase in staff is necessary. It takes a sizable staff just to open the thousands of letters received daily, let alone search out the requested certificate, remove it from the thick volume, photograph it or make a certified copy, mail it out, and then return the original certi-

cate to its proper place.

Years of experience have eliminated nearly every bottleneck. The operation is smooth and fast. Usually, the copy is mailed within a day or two after the request is received.

However, one serious bottleneck still exists—persons who insist upon waiting until the last days before school begins to mail in their request.

In recent years the last-minute rush hasn't been quite so

bad, but it is still a serious problem. Requests should be sent in as soon as possible. The State Health Department fee for certificate copies is \$1.50.

Certified copies can also be obtained from county clerks and registrars for a similar fee.

Parents should include the child's name, his place of birth, date of birth, and the parents' name (including the mother's maiden name).

STATE CAPITAL Highlights AND Sidelights

by Vern Sanford

AUSTIN. — Gov. John Connally says Texas is making a lot of progress on civil rights without demonstrations and disturbances. He urged Texans to avoid the trouble which is plaguing other states.

Roy Evans, secretary of Texas State AFL-CIO, indicated mass demonstrations are needed in Lower Rio Grande Valley to improve working conditions of Mexican workers. Connally commented such statements are irresponsible and inflammatory.

Governor also rejected labor's appeal for a special session of the Legislature to abolish right-to-work law and enact state minimum wage, saying he saw "no need, emergency or desirability" for such a session.

Evans said labor's traditional role is to try to inflame people against injustice and he intends to keep on trying to do that.

QUICK CHANGE — From one of the unpaid boss jobs to a \$16,500-a-year assistance-ship is the story of Dr. J. B. Copeland of San Antonio.

When the Legislature created the new job of deputy commissioner of the Health Department, Dr. Copeland resigned as chairman of the State Board of Health to accept the job of deputy commissioner. He had been Board Chairman for the past ten years.

Dr. N. L. Barker of Paris to Governor Connally named replace Dr. Copeland. He re-appointed Dr. Elmer Baum of Austin and named Dr. John M. Smith of San Antonio and I. D. Flores of Floresville, a pharmacist, to the Board of Health.

APPOINTMENTS — Connally made other appointments. Among them:

S. A. Kerr of Huntsville and Dr. Joe A. Nelson of Weatherford, reappointments, and David A. Kimball, Wichita Falls, to the board of regents of North Texas State University.

Ed Minor of Austin and W. R. Whitten, Fort Worth, to State Board of Pharmacy.

Sister Mary Brian Sherry of San Antonio and Mrs. Martha McClellan Davis, Beaumont, to Board of Nurse Examiners.

Dr. Richard T. Webb of Austin and Dr. James E. Makins, Lubbock, to Board of Dental Examiners.

Judge Otis Dunagan of Tyler, former Atty. Gen. Grover Sellers of Sulphur Springs and Judge James H. Moore, Nacogdoches, to the new 12th Court of Civil Appeals at Tyler.

Judge Stephen F. Preslar, McCarney, to the 8th Court of Civil Appeals at El Paso, replacing Justice Jim Langdon, whom he had named to the Railroad Commission.

Charles Sherrill, Fort Stockton, to replace Preslar as district judge.

Judge Howard P. Green of Cuero, Paul Nye of Corpus Christi and T. Gilbert Sharpe, Brownsville, to the new 13th Court of Civil Appeals in Corpus Christi.

Mayor Joe E. Kelly, Victoria, to replace Green as district judge.

Eugene R. Hoyt of Orange, Jack Pierce of Nacogdoches, Warren P. Cunningham Jr. of Houston, Arthur C. Lesher Jr. of Houston, as district judges.

Ward R. Burke of Ludkin, Dr. George Andrew Constant of Victoria and C. E. (Sonny) Bentley, Abilene, to Board for State Hospitals and Special Schools.

George Christian of Austin, who was administrative assistant to former Gov. Price Daniel, as Governor's press secretary, replacing Wilbur Evans, who went back to sports press relations.

Clay Cotten, longtime attorney for State Insurance Department, as State Liquidator to succeed C. H. Langdeau, who is retiring due to ill health.

LOANS—Frank Miskell of Austin, who headed up the Texas Legislature's studies on the loan shark problem, will be the administrator of the new law which regulates licensed lenders.

Miskell was chosen by the State Finance Commission to

be the first Regulatory Loan Commissioner. He will assume his new duties on August 23.

DRY AND WET — Texas is spotted with drought and flood points.

Texas Water Commission found that reservoirs declined a little in June. They wound up the month 76 per cent full, so there's room to store more floods when and if they come.

In general, Northeast Texas reservoirs are full, while those in South Texas are shrinking.

ROADS — Highway construction is one thing dry weather helps.

State Highway Engineer DeWitt C. Greer reported that contractors on state-federal completed \$24,073,319 worth of work during June.

But there's plenty yet to do. They hold contracts which total \$382,872,803 and another \$25,000,000 worth of contracts will be issued this week.

DO FENCE THEM IN—Texas Highway Department has endorsed the idea of building "median rails" on busy urban expressways.

Rails—heavy-duty fences installed on expressways around Houston, Fort Worth and Austin.

Also under development by highway engineers is a woven-wire mesh fence—similar to backyard chain-link jobs—to reduce headlight glare and to prevent pedestrians from crossing the freeways.

OIL HOLDS UP — Despite recommendations by several major oil buying firms that Texas production be cut in August, the Railroad Commission held the line.

Production will continue at the July rate of 28.5% of capacity of the wells. Independents praised the action.

HIGHER EDUCATION — Texas Committee on Education beyond the High School has selected one of its members as paid executive director.

He is Dr. A. B. Martin, president of Amarillo Junior College. He will co-ordinate all staff work for the big study.

Committee has one year to finish its study and report to the Governor and Legislature.

SADLER ACTIVE — Land Commissioner Jerry Sadler continues to be much in the news.

Sadler disagreed with Governor Connally and Atty. Gen. Waggoner Carr on seriousness of a state-federal dispute on reclaimed lands in the tidelands; swapped hot wires with ex-Sen. Bob Baker accused him of impeding Padre Island Seashore project; and insisted that Carr get Supreme Court concurrence on Carr's ruling that a new law reorganizing the School Land Board is valid.

SHORT SNORTS — Texas Game and Fish Commission, Department of Public Welfare, Board of Plumbing Examiners, Board of Professional Engineers, Board of Pardons and Paroles, Department of Banking, and Building Commission are moving into the new John H. Reagan State Office Building.

Dr. Dorman Winfrey, Director of the Texas State Library, announced that the Val Verde County Library, recognized in December as one of the "Ten Best Small Libraries in the U. S.," also has been cited for its "top-flight public relations program."

Mr. and Mrs. Frankie Lee of 206 N. W. 6th are the parents of a baby boy born July 20. He weighed 9 lb. and was named Robert Allen. They have one other child, Stacy Gail.

The maternal grandparents are Mr. and Mrs. J. V. Wright and the paternal grandparents are Mr. and Mrs. V. L. Lee, all of Hamlin.

Mr. and Mrs. L. S. Coleman of McCauley are the parents of a girl born July 20. She weighed 6 lb. 14 oz. and was named Barbara Carol. They have three other children, Diane, Jo Nell and Arlene.

The maternal grandmother is Olivia Kirby of McCauley and the paternal grandfather is J. C. Marshall of Hamlin.

underwood

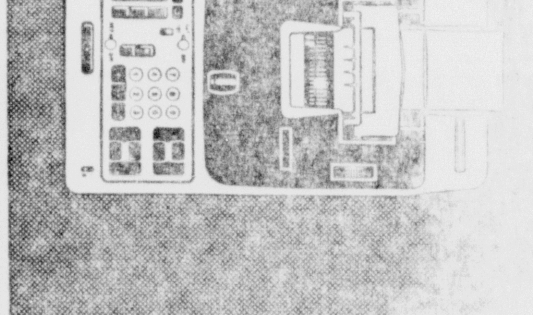

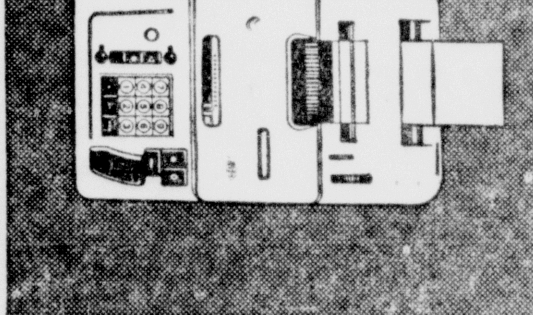

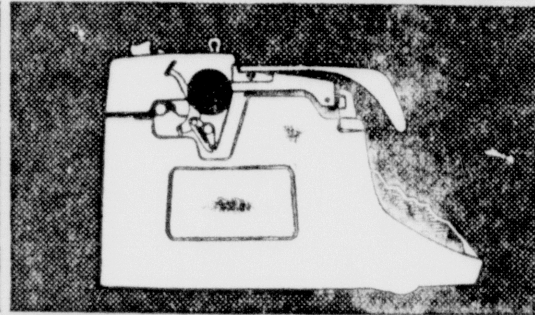

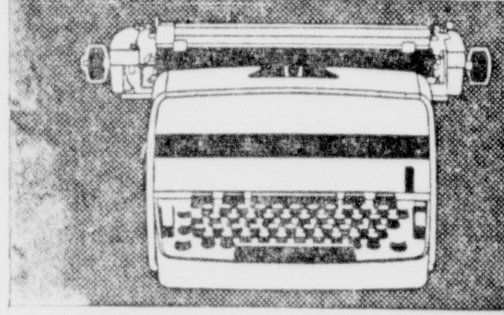

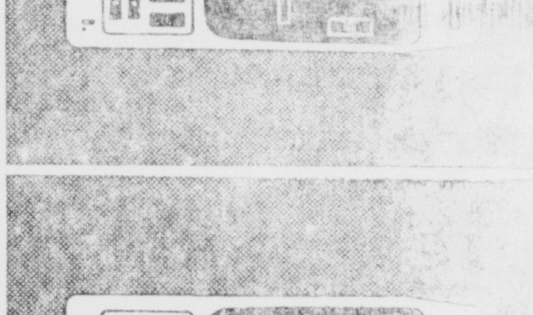

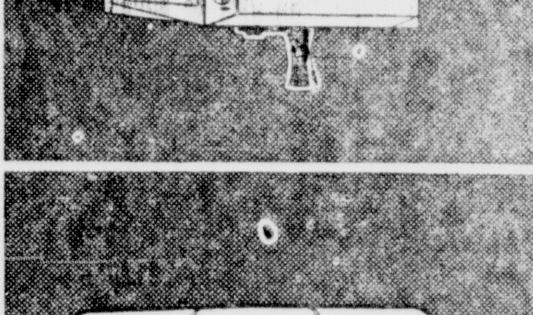

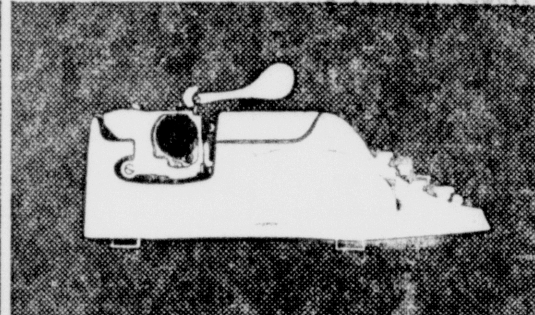

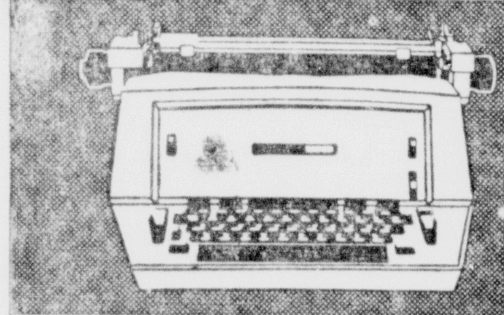

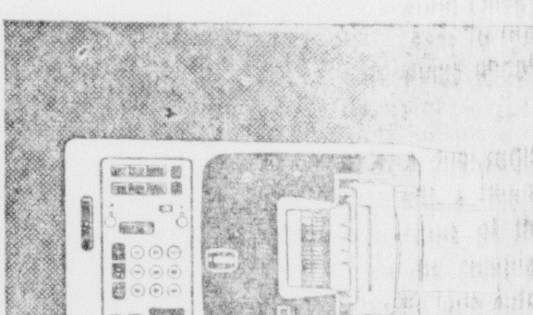

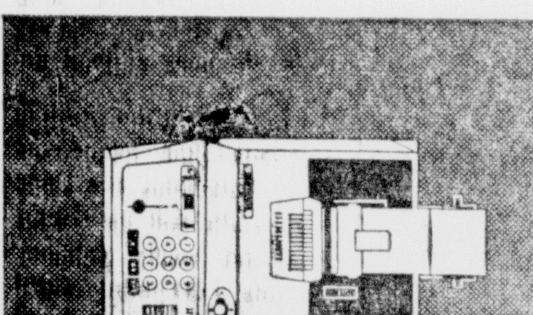

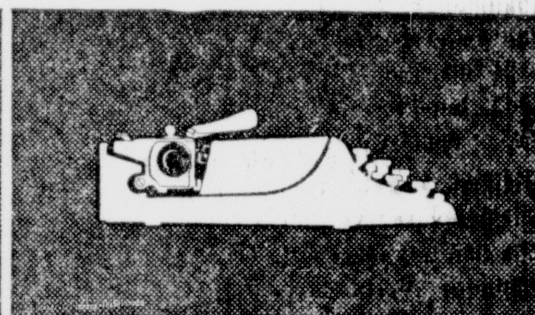

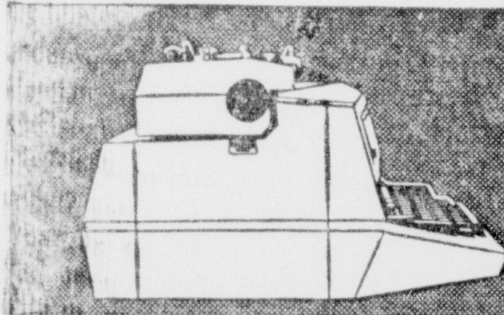

office machines:
the most complete
line ever available
from a single source

The wide range of Underwood standard and electric typewriters, adding machines, calculators, accounting machines and tape-to-card converters is assurance that we are uniquely able to provide the right machine for your specific work.

For example, we have three brilliant new Underwood electric typewriters—each with important, exclusive advantages. But when typing demands don't justify an electric machine, we are able to provide a new Underwood standard typewriter that produces high-quality general-purpose typing at exceptionally low cost.

No matter what your typing or calculating requirements, it's almost certain that one of our Underwood office machines can help reduce your office costs substantially.

For a demonstration of these new Underwood machines—on your own work, in your own office, at your convenience—call us today. We're here to serve you.

underwood RAPHAEL: An electric typewriter with automatic variable spacing and polyethylene carbon ribbon, designed to provide top management with typing of unmatched beauty, dignity and clarity. Operators quickly adjust to the Raphael, and appreciate such features as the auto-centering scale and reverse tabulation.

underwood FORUM: An electric typewriter with standard spacing and both polyethylene carbon and fabric ribbons, for correspondence demanding typing of distinguished appearance.

underwood SCRIPTOR: A full-size fully-electric typewriter with fabric ribbon and standard spacing, designed to provide office management with general-purpose typing of high quality.

underwood-olivetti LETTERA 22: A super-lightweight portable typewriter with all important big-typewriter features including keyboard tabulation and basket shift; the perfect portable for traveling executives, students and home use.

underwood-olivetti STUDIO 44: A compact standard with all important office-typewriter features including full-size keyboard and keyboard tabulation, and yet easily portable; ideal for the professional office or the home.

underwood TOUCH-MASTER FIVE: A standard typewriter of handsome styling, exceptionally light touch, unusual operating ease and such advanced features as touch tabulation, desktop for general-purpose typing of high quality.

underwood-olivetti PRIMA 20: a completely portable (8½ pounds) high capacity (\$9,999-\$99,999) 10-key adding machine with direct subtraction, credit balance indicator, column indicator, multiple-cipher keys, printed tape and other features not usually found in so low-priced a machine. Ideal for accountants, traveling auditors, small offices, and home use.

underwood-olivetti ELECTROSUMMA 22: A high-speed, high-capacity 10-key adding machine with automatic credit balance and direct subtraction that offers a number of advantages including column indicator, single, double and triple cipher keys, and automatic dater. The Electrosomma 22 also performs multiplication.

underwood-olivetti DIVISUMMA 24: A high-speed, high-capacity calculator with exclusive "memory" feature that eliminates manual entry of intermediate results in combined operations, saving time and eliminating a common source of error. Like all Underwood-Olivetti figure-work machines it prints an easy-to-read tape record of all operations for quick checks and inclusion with work sheets.

underwood-olivetti TETRACTYS: A dual-capacity version of the Divisumma 24 with a "memory," it performs all the operations of the Divisumma 24 and is able to handle complex combined operations. Its abilities include automatic accumulation of products and quotients.

FAIRVIEW NEWS

By MRS. ELMER JOINER

Weather report this morning is, fair and hot. No rain has fallen the past week, not even a cloud has appeared to cool the hot sun rays beaming down every day, soaring the temperature near the hundred mark. What is bad for man and beast is good for the cotton though, and after the rain last week end cotton crops

surely are doing good.

Owing to visiting to and from, attendance at services were off Sunday and Sunday night in church. With vacation time each year, that comes, as we have company or go visit ourselves.

Rev. Kenneth Leverett attended the Ministers Conference, at Hardin - Simmons University, last week. He reported enjoying it very much and gives us the information on the program, and the guest speakers, Dr. Clyde Francisco, of Southern Seminary, taught the book of Job; Dr. Skaggs, of New Orleans Baptist Theological Seminary, discussed the reasons why Paul returned to Jerusalem instead of going immediately on a missionary journey to Spain; Dr. Scudder of Fort Worth Baptist Seminary, discussed, the "Fruit of the Spirit".

Visitors of the Elmer Joiners Saturday night and Sunday, were his sister, Mr. and Mrs. Henry Kee, of Lubbock. Mrs. Kee is recovering from surgery and treatments following, but is doing nicely.

Mr. and Mrs. Joe Ford went after Sunday School to Spur Sunday to visit another grandson, born last Thursday, July 18th, to her daughter, at Beeville, Texas. Mr. and Mrs. Deibert Martindale are the proud parents, the son is the third in the family and will answer to the name of Blake Edward, when his big brothers, Martin Wayne and Brian Keith, call him.

She is also excited over a new brother, Mr. and Mrs. Tee Ford.

Mr. and Mrs. Woodrow Goodwin and Linda, accompanied by his sister, Mrs. Mammie Blisset, Anson, went to Lueders, to visit with his sister, Mr. and Mrs. Archie Hogan and other relatives.

Mr. and Mrs. Winson Gray went to clude Sunday after learning that an aunt of

Mrs. Gray's would be there.

The Flavel Holmes, home was the scene of lots of company and good times last week.

To start with, her brother and family, Mr. and Mrs. Raymond Best and Ricky, came from McCalla, Alabama,

which is a suburb of Birmingham, and a long way off. To meet with them and all visit together, other guests were: Mr. and Mrs. James Best and Dena, a nephew from Abilene, Mr. and Mrs. Jimmy Holmes and Melody Ann, Midland, and Mr. and Mrs. Jack Wright, Melinda and Keenan, Hamlin. Then Sunday Mr. and Mrs. Holmes and the Jack Wrights met the family at her sisters, Mrs. R. O. Clements, of Pampa. Another brother, Mr. and Mrs. Elly Best, Borger, met them there for a visit.

Mr. and Mrs. Jack Wright and children, finished their vacation last week with a trip to Midland to see her brother, Mr. and Mrs. Jimmy Holmes and baby; to Kermit to see his brother, Mr. and Mrs. Ted Wright; then also visited in Snyder and Wink.

We only know what we read in the papers, but we have been reading that John Beau-

champ has an oil well on their farm they bought, on the Phillips tract of land. Here is hoping it turns out to be a good one, maybe his neighbors can borrow some money from him.

Back to a serious thought, lets don't forget the revival which begins August 9 at the Fairview church. We hope you plan to come to some of our services.

Sixty-two percent of our present cropland needs conservation treatment, says the USDA. Erosion control is needed on 161 million acres, 60 million are under excess water, unfavorable soils exist on 36 million, and adverse climate is a problem on 14 million acres.

Top Mystery
Booked at Rogue

For the first time in Hollywood annals no still photos of a group of top stars appearing in make-up will be released for publicity purpose, or for theatre displays.

The stars are Tony Curtis, Robert Mitchum and Frank Sinatra, all of whom appear in fantastic disguises in the character delineations in the mystery melodrama, "The List of Adrian Messenger," a Joel Production directed by John Huston for Universal, opening Sunday at the Rogue Theatre.

The completed film has an epilogue in which the stars remove their disguises and re-

veal their identities to the viewers. They were naturally photographed by the stillman during the filming of their scenes and the proofs put under lock and key. In addition, the revolutionary makeup process which each star went through for three hours before reporting to the set, was also photographed step by step. A number of natural magazines have already offered elaborate spreads in their publications if the studio would release these photos.

However, Universal feels that any published photos would remove the vital element of surprise for theatre audiences when the suspense film is released. As a result, only photographs of scenes involving the rest of the cast playing their natural selves,

George C. Scott, Dana Wynter, Clive Brooks, and Herbert Marshall, will be released for exploitation purposes.

But ironically, some of the best known faces in the world, in probably the most unusual photos ever taken, will only be seen on the screen.

Miss Maria Vargas became the bride of Rolando Ramirez last Friday evening in the Rule Presbyterian Church in a double ring ceremony performed by the pastor, Douglas Finch. Maria is the daughter of Mr. and Mrs. C. H. Vargas and was a 1958 graduate of Old Glory High School and attended Texas Agricultural and Industrial College at

Kingsville where she received a bachelor of science in Home Economics in 1961. She is a teacher in the San Isidro Public Schools.

A rancher at Santa Elena, where they will reside after July 27, the bridegroom is a 1954 graduate of San Isidro High School.

Music for the couple's wedding was presented by Mrs. Douglas Finch, organist, and

Mr. Vargas gave the bride in marriage and her sister Irene Vargas of McAllen, was maid of honor. Bridesmaids were Elda Ramirez of Santa Elena and Gloria Guerrero of Dallas. Peggy Pumphrey was flower girl and Jeffrey Lane Pumphrey was ring bearer. Debra Denson of Rule and John Pumphrey of Fort Worth lighted wedding tapers.

Best man was the bridegroom's uncle, Pete Valdez, of Kingsville. Paul Ramirez and Manuel Ramos were groomsmen and ushers.

The bride's gown was of white satin with charming lace trim and featured a chapel train. A pearl trimmed sash, bridal crown held her veil of illusion. She carried an antique lace fan to which her bouquet of white carnations and a white orchid was attached.

Bridal attendant's dresses of apricot cotton brocade had matching overskirts. Halos fashioned of matching fabric held brief veils. Each attendant carried a long-stemmed white carnation.

After a reception in the Fellowship Hall of the church, the couple left for a brief wedding trip.

Mr. and Mrs. C. H. Vargas hosted the rehearsal dinner at the Bluebonnet Cafe at Rule on Thursday evening for the wedding party.

Fantastic new \$300,000 Log Flume ride at Six Flags unveiled Tuesday, lives up to all advance expectations. Named the Asceradero it is the only one of its kind in the world. The faces of the passengers aboard this eight foot hollowed out log reflect the thrilling climax down a 44-foot incline at speeds exceeding 10 feet per second into a trough filled with swirling rapids.

Vargas, who became the bride of Rolando Ramirez last Friday evening, was held on Wednesday morning in the home of Mrs. J. B. Pumphrey from 9 to 11. Miss Peggy Pumphrey, daughter of Mrs. Jay Pumphrey of Fort Worth and granddaughter of Mrs. J. B. Pumphrey, greeted the guests. Mrs. Don Tankersley of Knox City registered guests. Refreshments were served by Miss Sophia Vargas and Mrs. Billie Bridges.

Steve Letz won the Stone-wall County Heavy Litter Contest with an eight-pig litter weighing 401 pounds. He will receive a cash award from Sears Swine Program. Congratulations Steve.

NEINDA PHILOSOPHER WANTS TO REWARD THE CLERK WHO LOST 24 MILLION BUSHEL OF GRAIN

Editor's note: The Neinda Philosopher on his Johnson grass farm on Route one has an answer to the farm problem this week, however odd.

Dear editor:

The trouble with some people in Washington is that they don't know a good thing when they see it. They're so bogged down in solving problems they don't recognize a solution when it comes along.

As I understand it, this country recently lost 24 million bushels of surplus grain. We shipped it to Austria and it never did get there, or if it did nobody over there remembers receiving it. It just disappeared.

All right. Now what happens? Why a bunch of Senators are trying to appropriate \$100,000 to investigate the matter. Here we've found the perfect system of getting rid of an embarrassing, tax-eating surplus, just put it ships and let disappear, eliminating all the storage charges etc., and somebody wants to spend \$100,000 to get it back.

I don't understand this. What those Senators ought to be doing is erecting a monument to the Unknown Clerk who lost 24 million bushels of surplus grain. The last thing they want to do is investigate and find out who did it. When you get a situation like that, leave it alone and hope more and more grain will disappear until the warehouses are empty and gets within arm's length of supply.

Of all the ideas I've heard for getting rid of the surplus, none can equal the brilliant work of the clerk who lost the 24 million bushels. I say leave him alone, turn him loose, give him a map of all warehouses throughout the nation and open up a hot line between him and whoever it was in

Austria he sent the stuff to, and let the Senate recess till the farm problem is solved. After all, there's a new crop of grain coming in this

year and if we don't get those warehouses empty, where're we going to store it?
Yours faithfully,
J. A.
